

absolute dental - treatment menu

Privilege membership is available for children and adults. The benefits of privilege membership are not only to be able to spread your dental costs over the year by paying monthly, but also brings with it generous members rates on treatments, oral health products and with the added benefit of insurance cover. It enables you to budget for your dental well being and gives you the peace of mind that in the event of accidental damage you are covered. The following illustrates the financial benefits to members:
